Approved For Release 2007/10/19: CIA-RDP81B00879R000100010065-2 DPD-4430-59 & B 30 June 1959 File MEMORANDUM FOR THE RECORD SUBJECT: Concurrence in Amendment No. 2 to Contract No. NY-3958 with Westinghouse Electric Corporation, Baltimore, Maryland, Project CHALICE 25X1 25X1 1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5. 25X1 615 X 3. This Amendment No. 2 revises part numbers, adds new Radar spares, etc., to an existing spares list. Also incorporated is a listing of Radan GFP. The Amendment results in a net decrease of \$715.08 which should be liquidated from 25X1 previously obligated during FY 1959. By concurrence to this memorandum the Comptroller signifies that funds have been liquidated as provided above. 4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110. 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract. 5. Concurrence in Amendment No. 2 to Contract No. NY-3958 is recommended. 25X1 25X1 CONCURRENCES: Contracting Officer, I 6/30/59 Comptroller, DPD 25X1 Distribu Orig . > cc 25X1 Office of General Counsel DPD\_DD/F: 25X1
